

Refund Policy

Rev 4 PAG 01JUN18

NOTE: This document is only a guide. Each case will be considered by the QRA management committee on its merits, and the committee's decision is final.

Event Fees

1. Entrants will receive a full refund of event fees paid if the organiser is notified on or before the closing date for entries.
2. Normally, NO REFUND will be given after the closing date for entries.
3. Where special circumstances exist which prevent an entrant from notifying the organiser of their withdrawal before the closing date for entries, the entrant may appeal to the QRA committee for a refund. The appeal must state the circumstances forcing the withdrawal, and whether the circumstances affected the entire team. At their discretion, the committee may refund all or part of the entry fee.
4. Where the special circumstances do not affect the entire team, remaining team members shall be encouraged to reform a smaller team, or join an existing team.
