## Conditions of Participation

Note: This is a legal document. You should obtain legal advice before agreeing if you do not understand its meaning and effect. Participation in this event is not allowed until the team member registering the team accepts these conditions on behalf of all team members. The team member registering the team must ensure that ALL members of a team have read these conditions and accept them.

Rogaining is an activity which can involve risk of personal injury or property damage. The Association requires all participants to carry equipment such as suitable clothing, food, torches, compasses, water, first aid kit and any other allowed devices which will limit the inherent risks in the activity. By participating in the activity, each participant acknowledges that the sport of rogaining involves considerable risk and agrees that by entering this rogaine they do so at their own risk.

The participant binds him or herself, their executors, administrators, heirs, successors and assigns as follows:

- a) The participant agrees to discharge and release the Queensland Rogaine Association, its volunteers, the owners and occupiers of land used in the event, event sponsors and producers, community organisations, State Federal and Local Authorities in which the event may be held and their (its) representatives from all liability for death, disability, personal injury, damage to property, theft, and all foreseeable risks, claims or actions of any kind, howsoever caused, resulting from their participation – directly or indirectly – in this event.
- b) The participant agrees to further indemnify and hold harmless all entities and persons mentioned in the above clause (a) above from all liabilities, claims or action, as mentioned above, irrespective of whether the Association or its employees or agents may have been negligent.
- c) The participant agrees to his or her event results and names being published in bulletins and on the QRA website and agrees to photos being published of members enjoying themselves at QRA activities.

In particular, the participant agrees to indemnify the Association for any loss or damage arising from participating in the event and agrees that this indemnity may be pleaded as a complete defence to any legal proceedings or any right the participant may claim against the Association, its servants, agents or any owner or occupier of land used in the proceedings.
